drilling, dated 12/29/78
for Intercoast Coal Co.

Dear Mr. Wells:

Thank you for submitting the December 29, 1978 Notice of Intention concerning Intercoast Coal Company's proposed drilling project in Grand and Carbon Counties. The notice states that subheadings a and b located on pages 70-71 of The Oil and Gas Conservation Act and The Mined Land Reclamation Act will be complied with. Before the Division can accept the notice as complete a commitment to plug the drill holes as specified in Rule M-3(5)(c) and a commitment to reclaim the disturbed area as specified in Rule M-3(5)(d) must be received. Please ammend the notice to include these items.

A copy of the Division's plugging guidelines is enclosed for your reference. Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "K. Michael Thompson".
